

IT'S ON AGAIN! GUNDAROO MUSIC FESTIVAL

14 October 2017

in partnership with Motor Neurone Disease Association of NSW

The Gundaroo Music Festival was the vision of a talented local musician, Scott Windsor, who was diagnosed with Motor Neurone Disease (MND) in November 2012. MND is a degenerative disease affecting the nervous system. Sadly, Scott passed away on 17 April 2015. The Gundaroo Music Festival now becomes his legacy.

Now in its 5th year, The Gundaroo Music Festival is a family-friendly big day out, with non-stop entertainment from 10am to 10pm raising funds for those living with MND

The festival includes a fully catered VIP Marquee for our sponsors to enjoy, live bands, a spectacular fireworks display, an ever expanding kid's zone, market stalls, wine tastings, international food stalls and more. This year, we are excited to announce Thirsty Merc as our headline act, with other fantastic acts such as Night Train, Tori Darke, James Southwell Band and many others.

As a sponsor, you will be able to enjoy the Gundaroo Music Festival from the comfort of the fully catered VIP Marquee.

This year we are also pleased to announce that funds raised will go towards the provision of equipment to support people and families living with MND today. Thus far the Gundaroo Music Festival has raised over \$100,000 and continues to provide assistance to MND families.

We are grateful for the generosity of those who attend the festival, for our large team of local volunteers and we also rely on the generosity of organisations and businesses such as yours, who can support us by sponsoring the festival this year. Sponsorship packages are detailed below, and can be tailored to suit your business.

Fully catered VIP passes for our sponsors are limited and tables are filling fast. We would love your support—please [get in touch](#) with me today!

SPONSORSHIP PACKAGES

We are very excited to announce that Southern Cross Nine have become our media partner and have offered us a media package that will run for three weeks leading up to the festival. To get your businesses logo placed in this year's commercial where it can be seen by thousands of new customers contact us today!

All sponsors will be acknowledged on the day of the festival and on our website, and the festival will be promoted in coming months via social media, radio, television and print media. Sponsors will have the opportunity for their brand to be promoted through all of these channels, as well as on-site banners on the day of the event. [Get in touch](#) today to tailor a package to suit your business needs.
